## ***Curriculum Description***

The Surgical First Assistant curriculum is designed to prepare qualified Surgical Technologists and other surgical professionals with the educational preparation necessary to assume the role of the Surgical First Assistant during operative and other invasive procedures.

Students will learn to apply didactic knowledge to the care of the surgical patient and provide assistance in exposure, hemostasis, and other technical functions that will assist the surgeon in performing a safe operation with optimal results for the patient.

Graduates of an accredited Commission on Accreditation of Allied Health Education Program (CAAHEP) program may be eligible to test with one of the following organizations: National Board of Surgical Technology and Surgical Assisting (NBSTSA), National Surgical Assistant Association (NSAA) and the American Board of Surgical Assisting (ABSA). Employment opportunities include hospitals, clinics, educational institutions, and self-employment.

*Individuals entering this curriculum must possess a minimum of an associate degree.*
