**New CCLINC System Administrator** – Ruth Bryan

Ruth announced the new CCLINC SA is John Wood. John formerly was the Library Director at Rockingham CC. He is currently in training at Sirsi in Huntsville, Alabama. He will start working from Raleigh in mid-April.

**Upgrading to Unicorn 2000 – Tentative Timetable** - Ruth Bryan

Ruth stated the testing of the Unicorn 2000 upgrade would be held from March 26 – April 12. The testing will be done on the Test Server and will involve 10 testers that have volunteered from CCLINC libraries. If all goes well with the test, the Production Server will be upgraded to Unicorn 2000 over the Easter holiday weekend.

**Additional Reports Training** – Ruth Bryan

A purchase order has been submitted by the NCCCS System Office to Sirsi for additional reports training. The training costs are being paid out of funds at the System Office. Ruth is waiting to hear from Sirsi on available dates. The training will be held at Central Carolina Community College in Sanford. One Report Runner from each school will be permitted to attend a one-day session. As soon as the date is confirmed with Sirsi, more information will be forthcoming.

**Other business**

Debbie Luck stated the Cooperative Agreement needs to be looked at and evaluated. She requested that each college look at the agreement to see if changes are needed. Please submit suggestions, recommendations, etc. to Kathy Martin at Pitt CC. Deadline for submission is March 30<sup>th</sup>.

**Subcommittee Reports**

(Many of the committee reports were available in hardcopy)  
Cataloging Subcommittee is trying to develop a contact list for each college.  
Training Subcommittee has scheduled SmartPort Training for April 12<sup>th</sup>. Still working on getting dates for additional reports training.

Linda Leighty read a statement at this time about many folks at her school being unhappy with the Sirsi system. “Just felt she needed to state.”  
A number of members spoke up at the meeting to discuss various issues pertaining to the Sirsi system that they deemed as not satisfactory.

Also brought to the floor was a request to remove pins from the system. Members attending the meeting indicated a desire to remove the pins. It was noted however that there might be libraries not represented at the meeting that requires pins for security reasons. This topic was referred to the new chair, Kathy Martin to be put on the next Steering Committee agenda.
