CCLINC User's Group Meeting
Minutes
July 17, 2003

- Dan Swartout called the meeting to order at 2:35 p.m.
- Dan reviewed criteria of the Steering Committee and the job of the Steering Committee Chair.
- Dan thanked existing subcommittee chairs for their hard work during the past year.
- Linda Leighty mentioned the concern of using WebCat and the possibility of using something else and would like for us to look at another product that Sirsi is developing.
- Harry Cooke commented on the Hawaii Community College System's catalog and the "neatness" of it.
- Ruth announced the upgrade to Unicorn 2002 is available for testing on Thelma and briefly discussed the new client, which will be implemented, on the Production server (Louise) in August.
- Subcommittee Chairs announced their replacements and concern was expressed about empty subcommittee chairs.
- Sharon Day-Lowe from Gaston stated that she may be interested in chairing the Cataloging subcommittee.
- Ellen Williams nominated Libby Stone for the new Steering Committee Chair. No other nominations were made. She was voted in as the 2003/04 chair.

The meeting adjourned at 3:05 p.m.
