MEMORANDUM

To: Directors of Financial Aid

From: Monty Hickman, Associate Director of Financial Aid
Student Development Services

Subject: **Free Application for Federal Student Aid (FAFSA) Day**

Financial Aid administrators across the state will assist current and prospective community college students with the completion of the Free Application for Federal Student Aid (FAFSA). These workshops will take place February 9, 2008 on campuses across North Carolina. The workshops are open to individuals and families who plan to attend college during the 2008-2009 academic year.

This is a great opportunity for Financial Aid administrators to assist families with a seemingly cumbersome process and provide student access to college. If you intend to participate in FAFSA Day, specific details such as time, location, and directions are available on the CFNC website at www.CFNC.org.

Should you have questions concerning FAFSA Day, please contact the respective locations.
