MEMORANDUM

DEADLINE: February 5, 2008

To: Career Services Directors

From: Charletta Sims Evans, Associate Director
Student Development Services

Subject: Career Services Survey

The Career Services Division of the North Carolina Community College Student Development Personnel Association (N3CSDPA) is conducting a survey to gain information about the structures and operations of career services on your campus.

The responses from this survey will give us insight into the ways your campus is meeting the career development needs of students. The responses will also help us identify topics of interest for future career services personnel training.

Please complete the online survey at www.nccommunitycolleges.edu/survey.
The password is wjs_200S. **Please designate one person in your Career Services area to complete the survey.**

We ask that you complete the survey by **February 5, 2008**. Results will be posted on the NCCCS website and presented at the N3CSDPA Counselor's Division conference in March. We hope the findings of this survey will encourage greater collaboration and networking among career counselors across the state.

Thank you for your attention to this matter.
