**SUBJECT: HOLOCAUST EDUCATORS TRAINING-Group 6**

We are pleased to announce that the United States Holocaust Memorial Museum is offering another learning experience for Basic Skills staff and participants to include Holocaust education in their program curriculum. We have partnered with the USHMM to train twenty staff members as Holocaust Educators this year. Basic Skills directors and staff are eligible to attend.

Our group will fly to Washington, D.C., on Tuesday, May 20, 2008. We will return to Raleigh on Friday, May 23, 2008. Airfare of \$300 will be paid by the state office. The local program is responsible for travel to/from Raleigh, meals, and hotel. The hotel cost (Hilton Springfield, VA) is approximately \$181 (+ tax) per night for single/double room. Programs may nominate two people to share a double room or we will assign roommates. Single rooms are very limited. We will try to reserve if room is available and requested when nominated. The United States Holocaust Memorial Museum will pay for bus, materials, lunches, training, and tour.

Following this four-day Holocaust leadership training program, participants will be able to provide local/regional training classes. The participants will also provide feedback/evaluation of Holocaust teaching materials used with students and participate on a special e-mail list serve.

**We are asking you to nominate one or two participants now. Nominees should be full-time, experienced and committed to use/teach this topic in 2008. Please send information about the nominee including resume, email and telephone number. Because of the limited number of participants and out of state travel arrangements, we will accept the first twenty nominees. We must finalize travel arrangements by March 30, 2008, so group airfare can be reserved.**
