**This memorandum amends CC08-027, *Request for Proposal (RFP): Curriculum Improvement Project (CIP) Grants for 2008-2010.***

In response to requests from colleges and related associations to expand the list of curriculum areas eligible for CIP grants, the RFP guidelines for 2008-2010 have been amended as follows:

- Proposals may focus on any curriculum/discipline area.
- Although proposals are no longer limited to curriculum areas outlined in the Targeted Curriculum Areas list, those programs will be given preference when all other factors are equal.
- The deadline for all proposals has been extended to **April 9, 2008.**

The revised guidelines for the RFP have been posted on the NCCCS website in Word and PDF formats for your reference. The website address is:
