*H. Martin Lancaster, President*

**MEMORANDUM**

**TO:** Basic Skills Directors

**FROM:** Randy Whitfield, Ed.D.  
Associate Vice President, Academic & Student Services  
Basic Skills Department

**SUBJECT:** Basic Skills Regional Meetings

The Basic Skills State Leadership Advisory Board has recommended that the five Basic Skills regions meet on a quarterly basis and that the regions hold elections for officers and representatives to the Advisory Board by June of each year. Since the Advisory Board gives input to the System Office on funding and other critical issues, it is extremely important that the regions meet quarterly and that all Basic Skills Directors attend those meetings or send a representative.

Over the next few years, Basic Skills will have new legislation and will adopt a new state plan. The best way to ensure that you have input into the future of Basic Skills is to get involved with your Basic Skills region. Attached is a list of the Basic Skills regions and the colleges in each region.
