MEMORANDUM

TO: Senior Continuing Education Administrators

FROM: Barbara Boyce, State Director of Continuing Education

SUBJECT: Database for CE Captive Approvals

The System Office is creating a comprehensive database for Continuing Education that will maintain an official list of ALL State Board captive course approvals by college, by facility, and by course in an exportable/printable format.

The first step in populating this database is to get a current listing of course approvals. To ensure that we have accurate records, we are asking colleges to complete a form titled "CE Captive Approvals." A sample of the form along with the instructions for completing this form is included in this memo. The deadline for submitting your list is April 11, 2008. We will match your list with our records. Before the database is officially populated, the System Office and the college will sign-off on the list of approved courses agreeable to both parties.

If you have questions, please contact Barbara Boyce at (919) 807-7158 or Joann Ingoglia at (919) 807-7223.
