MEMORANDUM

| TO: | Chief Academic Officers |
|-----|--------------------------|
| | Student Service Officers |

FROM: Delores A. Parker, Vice President Academic and Student Services

SUBJECT: Advanced Placement (AP) Credit

Thank you for responding to our request (CC07-166) for AP credit information from your college. I am pleased to provide you with the attached compiled results.

The attached AP credit information has also been supplied to the Transfer Advisory Committee per their request for information as they review the following advanced placement language that is currently included in the Comprehensive Articulation Agreement (CAA):

Advanced Placement course credits, awarded for a score of three or higher, are acceptable as part of a student's successfully completed general education core under the CAA. Credit for two successive courses can only be awarded with a score of five. Students who receive AP course credit at a community college but do not complete the general education core will have AP credit awarded on the basis of the receiving institution's AP policy.

Thank you again for your responses. If you have questions, please contact Jennifer Frazelle at 919-807-7120 or frazellej@nccommunitycolleges.edu.
