MEMORANDUM

To: Financial Aid Officers

From: Karen Yerby, Associate Director
Student Development Services

Subject: **Golden LEAF Scholars Program – Two-Year Colleges**

This Golden LEAF Scholars Program – Two-Year Colleges provides grants for curriculum degree seeking students and occupational education students to be applied toward their tuition, registration fees, and related expenses at the community college where they are enrolled. During the spring and summer funding periods for the 2008 Golden LEAF Scholars Program, 419 awards totaling \$289,650 were awarded to 300 students from 34 community colleges.

Fall 2008 funding is budgeted at \$210,350. Awards are **limited to fifteen (15) students per college at \$750 for curriculum students and \$250 for occupational education students**. Scholarships will be need and merit based and on a **first-come, first-serve basis**. Each college's fall award list must be received in the System Office by **September 10, 2008**.

To be eligible, a community college student must:

- Be a permanent resident of one of the 73 eligible counties as designated by the Golden LEAF Foundation. (Attachment I)
- Show financial need. All students will be required to disclose other financial aid awards in order for funding to meet the needs of the broad population of students.
 - Curriculum students should demonstrate a need based on FAFSA information.
 - Occupational Extension students should demonstrate a need under federal TRIO formula. (Attachment II) This criterion will be used so occupational education students will not need to file a Free Application for Federal Student Assistance (FAFSA).
- Degree seeking students must be enrolled half-time for a full award. Less than half-time students may be considered pending the availability of funds.

Finalists meeting all the eligibility criteria will undergo a separate “merit” competition. Selection is based on:

- The effect of the decline in the tobacco industry on his or her family
- The effect of the declining economy on his or her family
- Academic record
- Overall evaluation of the application
- Leadership and community service

Application Process

- Students will file a Golden LEAF Scholars application (Attachment III). Applications will be filed with college financial aid offices and should **NOT** be sent to North Carolina Community College System. Applications do not need to be completed for each award period.
- Applicants bear full responsibility for completing the Golden LEAF application prior to each deadline.
- Applicants will complete the waiver form (Attachment IV) for use of their social security numbers. (*Social security numbers will be used for tracking purposes only.*)
- Financial Aid Offices will determine eligibility and appoint a selection committee comprised of college personnel from various areas of the college to review student applications. (Each college should determine a method to collect family income data for Occupational Education students.)
- The committee will **select up to fifteen (15) students** for awards and select award amounts. Individual award amounts are set at the discretion of the college up to \$750 for curriculum students and \$250 for occupational education students per semester. Primary consideration should be given to students from families adversely affected by the decline in the tobacco industry.
- The committee will meet at least once during the award semesters and on an as-needed basis throughout the year.
- Financial Aid Offices will provide an Excel spreadsheet (Attachment V) of selected recipients, not to exceed fifteen, including name, award amounts, and use of funds to NCCCS. September 10 is the deadline for student award lists to be sent to NCCCS for fall awards.
- Financial Aid Officers will separately mail hard copies of social security numbers and waiver forms to Karen Yerby, NCCCS, 5016 Mail Service Center, Raleigh, NC 27699-5016.
- Upon receiving the funds from the Golden LEAF Foundation, NCCCS will transfer award funds to the colleges for disbursement to student recipients.
- Colleges may redistribute funds caused by student withdrawal or other circumstances to other eligible students. Colleges must provide NCCCS with the new student’s name, award amount, use of funds, social security number and waiver form.

Applications for the Golden LEAF Scholars Program – Two-Year Colleges will be posted on the internet at www.CFNC.org and the NCCCS website. **The funds in this program will be distributed to the colleges on a first-come, first-serve basis. Information from the colleges regarding award recipients will be dated upon arrival and funds will be disbursed accordingly.** Ten percent of the budgeted funds will be held in reserve until needed, per agreement with the NCCCS State Board.

Due to a request by the Golden LEAF Foundation, we are tracking recipients through social security numbers to show that funds are being used to assist students in completing their educational goals and becoming productive citizens of North Carolina. State law (Session Law 2005-414) states that we must have permission to use social security numbers, which is why we are including a waiver form.

Questions concerning the program should be directed to Karen Yerby at (919) 807-7107 or yerbyk@ncccommunitycolleges.edu .
