MEMORANDUM

**TO: Chief Business Officers
Purchasing Agents**

**FROM: Jennifer Haygood, Vice President for Business and Finance and
Chief Financial Officer**

SUBJECT: Bidding of Juice and Water Contracts

On June 28, 2012, the S.L. 2012-89 was enacted into law. This legislation repeals G.S. 143-64, which previously required local school administrative units, community colleges, the University of North Carolina to have separate bids for juice and water. While colleges must still competitively bid beverage contracts, you may now accept bids for juice and water together.
