Subject: Curriculum Review Committee Course Approvals

The Curriculum Review Committee (CRC) has the responsibility for maintaining the curriculum courses in the Combined Course Library (CCL). The approved course requests from the Summer 2013 meeting are attached for your information.

Course revisions may involve the removal of required prerequisites or corequisites. Please note that colleges may add local prerequisites and/or corequisites if they determine a need exists.

The CRC approved requests to revise the **course description, prerequisite(s), corequisite(s), and/or class/lab hours** of core courses found on the curriculum standards listed below. Please note that the only change indicated on the printed standard will be the inclusion of the statement *CRC Revised-Electronic Only 5/29/13,* since only the electronic version of the standard template will be revised.

The following curriculum standard(s) involved CRC approved core course revisions **and additional standard revision requests** that will be reviewed for action at the July 2013 State Board meeting:

Curriculum Title	**Curriculum Code**
Central Sterile Processing	C45180
Medical Dosimetry	D45450

Please be aware that you must implement the attached revised courses and standards no later than one year after the effective term. You must update your college's electronic program of study and receive approval from the System Office prior to implementation of the revised courses and programs. The revised standards are attached for your convenience.

Curriculum standards, curriculum courses and procedures for submitting requests to the CRC are available on the Academic Programs home page at http://www.nccommunitycolleges.edu/programs.

If you need assistance or clarification, please contact Ms. Jennifer Frazelle, Director of Academic Programs, at frazellej@nccommunitycolleges.edu or (919) 807-7120.
