12 **1E SBCCC 200.2 Time Due, Deferred Payment, Failure to Pay**

13 (a) Time Due. Tuition, registration fees, and other fees required for enrollment are due at the
14 time of the student's registration or on a specific date prescribed by the college that is on or
15 before the first date of the course section. To ensure tuition receipts are deposited to the
16 credit of the fiscal year in which the Fall academic term occurs, colleges shall begin
17 collecting curriculum tuition payments for the Fall academic term on or after July 1 of that
18 year.

19 (b) Deferred Payment. The college may, with approval of the board of trustees, prescribe written
20 procedures to permit short-term deferred payment or payment in installments; provided,
21 however, that payment in full is due by the end of the academic term. For the purposes of this
22 section, "short term" is defined as a period that does not extend beyond the last day of the
23 academic term.

24 (c) Failure to Pay. Unless otherwise prohibited by law, colleges may not enroll or award an
25 academic credential to a student with an outstanding balance for tuition or registration fees
26 except under the following circumstances:

27 (1) The college anticipates that the outstanding balance will be paid using pending financial
28 aid; or

29 (2) A person or organization demonstrates to the satisfaction of the college the ability to pay
30 the outstanding obligation and guarantees in writing to pay the balance if the student fails
31 to do so.

1 Unless otherwise prohibited by law, colleges may withhold transcripts of grades and any
2 other service pending resolution of outstanding obligations. This statement shall not be
3 construed to prohibit a college's board of trustees from adding more stringent provisions
4 regarding outstanding balances that are allowable under law.

10
11 **1E SBCCC 300.1 Tuition for Curriculum Programs**

12 (a) Tuition Rates. The State Board shall set a uniform tuition rate per credit hour and a
13 maximum tuition amount per academic term for resident and non-resident students consistent
14 with actions taken by the General Assembly.

15 (b) Tuition Required. Colleges are required to charge students tuition to enroll in a curriculum
16 course that earns Budget FTE as described in 1G SBCCC 100.99. Students are required to
17 pay tuition, or have a third-party pay on their behalf, to enroll in a curriculum course, unless
18 waived by law. See also 1E SBCCC Subchapter 800.

19 (c) Tuition for Student Enrolled in More than One College. If a student enrolls for the same
20 academic term at two or more community colleges, the student may pay the total amount of
21 tuition and registration fees to the student's "home" college, at the discretion of the "home"
22 college. For the purposes of this section, "home" college means the college in which the
23 student initially enrolls for the academic term. The "home" college shall work with the other
24 colleges with which the student is enrolled to ensure the student is not charged more tuition
25 than the maximum allowed by the State Board for the academic term. Student membership
26 hours as defined in Chapter G for instruction received shall be reported by the college in
27 which the respective instruction occurred.

28 (d) Deposit of Tuition. All tuition receipts are State funds. Colleges must deposit all tuition
29 receipts to the credit of the State Treasurer, consistent with State law.

1E SBCCC 300.2 Family Relocation Tuition

(a) As provided by G.S. 115D-39(a), community colleges may charge resident tuition rates to nonresident students who are members of families that were transferred to this state by businesses, industries, or civilian families transferred by the military, for employment. Prior to enrollment at the resident tuition rate, the nonresident student shall fulfill the following conditions:

(1) Demonstrate that his or her family moved to this state within the 12 months preceding enrollment;

(2) Present a letter to the college from the employer on corporate letterhead stating that the employee, through whom the student claims this benefit, relocated to this state for employment with that business, industry, or military establishment;

(3) Present proof of his or her familial relationship with the employee, unless the student is the employee;

(4) Present proof that the student lives in the same house with the employee, unless the student is the employee;

(5) Present proof that the student is financially dependent on the employee through which the student claims this benefit, unless the student is the employee; and

(6) Comply with the requirements of the Selective Service System, if applicable.

(b) The number of students at a college eligible for resident tuition under this Rule in a given academic year shall not exceed one percent of the average number of nonresident students, rounded up to the next whole number, enrolled at the college during the preceding academic year. If a college charges resident tuition to students eligible under this section, eligible students shall be granted this benefit on a first-come, first-served basis.

(c) Each local board of trustees shall adopt and publish a written policy specifying whether the college will charge resident tuition rates to nonresident students who satisfy the provisions of this section. If a local board of trustees adopts a policy that allows the college to charge resident tuition rates to nonresident students who satisfy the provisions of this section in some instances and not in others, the local board of trustees' policy shall specify the factors

1 the college will use to determine when to grant the resident tuition rate and when to deny the
2 resident tuition rate.

20 The following definitions apply to this subchapter:

21 (a) “Tuition and Registration Fee Waiver” - A waiver that exempts an individual from paying
22 curriculum tuition or continuing education registration fees that would otherwise be required
23 to enroll in a course and deposited with the State Treasurer. The amount waived represents

25 mean inclusion of any other fees or charges (i.e. local fees, textbooks/supplies, and
26 insurance) that are required for enrolling in a course or program. The amount charged to

10 local fees shall be governed by local boards of trustees.

11 (b) Admission Requirements. Persons in an authorized group must meet the same admission
12 requirements as students that are not in an authorized group to enroll in courses for which the
13 student is eligible for a waiver.

14 (c) Proof of Eligibility. To obtain a waiver, individuals must establish proof of eligibility as a
15 member of an authorized group. To be eligible for a tuition or registration fee waiver,
16 trainees enrolled in Basic Law Enforcement Training (BLET) courses must obtain a letter of
17 sponsorship from a state, county, or municipal law enforcement agency prior to enrollment
18 and uphold the terms of the sponsorship until completion of the BLET course. The college

22 manner consistent with non-waived students, assuming all applicable reporting requirements
23 are met.

24 (e) Self-Supporting Courses: Community colleges shall not grant tuition and registration fee
25 waivers to students enrolled in self-supporting courses. The community college shall charge

CHAPTER E. STUDENT TUITION AND FEES

100. DEFINITIONS

1E SBCCC 100.1 RESERVED FOR FUTURE CODIFICATION

200. AUTHORITY TO CHARGE

1E SBCCC 200.98 AUTHORITY TO ESTABLISH TUITION AND FEES

(a) ~~Authority to Charge. All tuition and registration fees charged to students for applying to or attending any college of the system shall be approved by the State Board. No tuition rate or fee schedule shall be charged without resolution of the State Board specifying the purpose for which the fee is charged.~~

(b) ~~Time Due and Deferred Payment. Tuition, registration fees and required academic fees are due and payable at the time of the student's registration. The college shall, with approval of the board of trustees, prescribe written procedures to permit short term deferred payment or payment in installments; provided, however, that no student shall be permitted to graduate or to register for a new semester unless payment of such outstanding balance has been guaranteed in writing by a financially responsible person or organization. Colleges are authorized to withhold transcripts of grades pending resolution of the outstanding obligations. This statement shall not be construed to prohibit a college's local governing board from adding more stringent provisions.~~

(c) ~~Establishing Optional Fees. Optional fees are fees charged to curriculum and continuing education students for items not covered by tuition and registration fees. Funds derived from optional fees shall be deposited in the institutional account and shall be used to directly benefit students. The president shall report any optional fee established by the board of trustees to the System Office's Business and Finance Division on an annual basis. Boards of trustees may establish on an annual basis the following optional fees:~~

- (1) ~~Specific Fees. Fees charged to students for items required for individual courses that are considered to be in addition to normal supplies and material the college provides for students such as tools, uniforms, insurance, and certification fees;~~
- (2) ~~Student Activity Fee. A fee charged to students to support student activities. The student activity fee shall not exceed the maximum established by the State Board;~~
- (3) ~~Computer Use and Technology Fee. A fee charged to students to support the procurement, operations operation, and repair of computers and other instructional technology including supplies and materials that accompany use of the technology. This fee shall not exceed the maximum established by the State Board; and~~
- (4) ~~Parking Fee. A fee charged to a student for use of the college's parking facilities.~~

(d) ~~Any optional fee established by a college is considered a separate charge to students and shall not be credited as part payment of tuition or registration fees.~~

(e) ~~Receipts collected from any optional student fee shall be deposited as State Board regulation shall direct, consistent with state law.~~

(f) ~~Nothing in any rule shall be construed to condone or to authorize any practice of depositing receipts from any student tuition or other student fees in a special fund account at a college, except optional fee receipts.~~

(g) ~~Optional fee receipts shall not be used for any purpose other than that for which the fee was approved, e.g., computer equipment could not be purchased for staff members using optional fee receipts.~~

(h) ~~All fees funds derived from optional fees shall be deposited into a proper college account and all disbursements shall be made by the college business office in accordance with policies adopted by the board of trustees.~~

(i) ~~Specific Fees shall be approved by the college board of trustees. Such fees shall reflect the actual cost of items received by the student.~~

(j) ~~Students shall be informed of all approximate fees for a course at the time they enroll. Such fees shall be kept to a minimum consistent with the State Board philosophy to keep student costs as low as possible.~~

(k) ~~Family Relocation Tuition. Community Colleges may charge in state tuition to certain out of state students who are members of families that were transferred to this state by businesses, industries, or civilian families transferred by the military, for employment. Prior to enrollment, the student shall fulfill the following conditions:~~

- (1) ~~Demonstrate that his or her family moved to this state within the preceding 12 months;~~

- ~~(2) Present a letter to the institution from the employer on corporate letterhead stating that the employee, through whom the student claims this benefit, relocated to this state for employment with that business, industry, or military establishment;~~
- ~~(3) Present proof of his or her familial relationship with the employee unless the student is the employee;~~
- ~~(4) Live in the same house with the employee unless the student is the employee;~~
- ~~(5) Present evidence that he or she is financially dependent on the employee through which he or she claims this benefit unless the student is the employee; and~~
- ~~(6) Comply with the requirements of the Selective Service System, if applicable.~~

The number of students eligible for in-state tuition under this Rule at a college shall not exceed one percent of the average number of out-of-state students, rounded up to the next whole number, at the college in the academic year immediately preceding enrollment. Eligible students shall be granted this benefit on a first come, first serve basis.

- ~~(3) Learning Laboratory. No tuition fees charged.~~
- ~~(4) Tuition Creditable Upon Transfer of Student. When a student has paid the required tuition at a college and is given permission to transfer to another college within the system during the academic semester for which the tuition was paid, the college from which the student transfers shall issue to him a statement certifying the amounts of tuition that have been paid, and the college to which he is transferring shall accept such certificate in lieu of requiring payment again. [Also, see 1G SBCCC 200.93(b)(2) which provides information regarding reporting student hours in membership.]~~
- ~~(5) Tuition Student Enrolled in More Than One College. Where a student desires to enroll for the same semester at two or more colleges of the system, the total amount of tuition and fees may be paid to the student's "home" college. "Home" college is defined as the college which the student initially registers for classes. The "home" college shall, in that case, assume responsibility for arranging with the other college or colleges for enrolling the student in appropriate classes without~~

16 enforcement officers employed by a municipal, county, state, or federal law enforcement
17 agency when taking courses in a state mandated BLET training program, are exempt

32 the class(es) fails to materialize or a refund is required by the death of the student. This advance payment shall be
33 deposited to the State Treasurer and credited against the full tuition due from the student during the regular
34 registration period. For the purposes of this Rule, any tuition refund granted shall not include the pre enrollment
35 deposit of the student unless a refund is granted when a class fails to materialize or because of the student's death.~~

36 ~~(c) Late Enrollment Fee. A late enrollment fee up to five dollars (\$5.00) may be charged curriculum students
37 registering after the specific closing date of registration, with such fees becoming state funds.~~

38 ~~(d) Tuition Refunds:~~

39 ~~(1) A refund shall not be made except under the following circumstances:~~

40 ~~(A) A 100 percent refund shall be made if the student officially withdraws prior to the first
41 day of class(es) of the academic semester or term as noted in the college calendar. Also,

55 state refund regulations stated in this Rule.~~

- 1 (3) ~~Where a student, having paid the required tuition for a semester, dies during that semester (prior to~~

- 9 ~~(2) Tuition Rates In State:~~
- 10 ~~(A) A general and uniform tuition rate is established by the State Board as set by the~~
11 ~~Legislature for full time curriculum students per semester or term for North Carolina~~

- 17 ~~(4) Tuition Creditable Upon Transfer of Student. When a student has paid the required tuition at a~~
18 ~~college and is given permission to transfer to another college within the system during the~~
19 ~~academic semester for which the tuition was paid, the college from which the student transfers~~
20 ~~shall issue to him a statement certifying the amounts of tuition that have been paid, and the college~~
21 ~~to which he is transferring shall accept such certificate in lieu of requiring payment again. [Also,~~
22 ~~see 23 SBCCC 02D-.0323(b)(2) which provides information regarding reporting student hours in~~
23 ~~membership.]~~
- 24 ~~(5) Tuition Student Enrolled in More Than One College. Where a student desires to enroll for the~~
25 ~~same semester at two or more colleges of the system, the total amount of tuition and fees may be~~
26 ~~paid to the student's "home" college. "Home" college is defined as the college which the student~~
27 ~~initially registers for classes. The "home" college shall, in that case, assume responsibility for~~
28 ~~arranging with the other college or colleges for enrolling the student in appropriate classes without~~
29 ~~further charge. Such arrangement shall be made by exchange of letters between the colleges~~
30 ~~involved. Student membership hours for instruction received shall be reported by the college in~~

42 ~~summer term, in the system without payment of tuition or registration fee.~~
- 43 ~~(C) Basic Law Enforcement Training Program (BLET) for law enforcement officers. All law~~
44 ~~enforcement officers employed by a municipal, county, state, or federal law enforcement~~
45 ~~agency when taking courses in a state mandated BLET training program, are exempt~~
46 ~~from tuition payment. Also, trainees shall be exempt from BLET class tuition if a letter~~
47 ~~of sponsorship from a state, county, or municipal law enforcement agency is on file at the~~
48 ~~college.~~
- 49 ~~(D) Individuals meeting the criteria set forth in G.S. 115B-2 shall not be charged tuition.~~

3 fifteen dollars (\$15.00). The pre enrollment deposit, if established, shall be required only when a prospective
4 student has made application for admission and has been accepted. This advance payment is not refundable unless
5 the class(es) fails to materialize or a refund is required by the death of the student. This advance payment shall be
6 deposited to the State Treasurer and credited against the full tuition due from the student during the regular
7 registration period. For the purposes of this Rule, any tuition refund granted shall not include the pre enrollment
8 deposit of the student unless a refund is granted when a class fails to materialize or because of the student's death.
9 (c) Late Enrollment Fee. A late enrollment fee up to five dollars (\$5.00) may be charged curriculum students
10 registering after the specific closing date of registration, with such fees becoming state funds.

11 (d) Tuition Refunds:

12 (1) — A refund shall not be made except under the following circumstances:

13 (A) — A 100 percent refund shall be made if the student officially withdraws prior to the first
14 day of class(es) of the academic semester or term as noted in the college calendar. Also,
15 a student is eligible for a 100 percent refund if the class in which the student is officially
16 registered is cancelled due to insufficient enrollment.

17 (B) — A 75 percent refund shall be made if the student officially withdraws from the class(es)
18 prior to or on the official 10 percent point of the semester.

19 (C) — For classes beginning at times other than the first week (seven calendar days) of the

25 cancels the class. A 75 percent refund shall be made if the student officially withdraws
26 from a contact hour class on or before the 10th calendar day of the class.

27 (2) — To comply with applicable federal regulations regarding refunds, federal regulations supersede the
28 state refund regulations stated in this Rule.

29 (3) — Where a student, having paid the required tuition for a semester, dies during that semester (prior to
30 or on the last day of examinations of the college the student was attending), all tuition and fees for
31 that semester may be refunded to the estate of the deceased.

32 (4) — For a class(es) which the college collects receipts which are not required to be deposited into the
33 State Treasury account, the college shall adopt local refund policies.

34 (e) Military Tuition Refund. Upon request of the student, each college shall:

35 (1) — Grant a full refund of tuition and fees to military reserve and National Guard personnel called to

40 shall use distance learning technologies and other educational methodologies to help these
41 students, under the guidance of faculty and administrative staff, complete their course
42 requirements.

1 ~~(a) Registration fees for Non-Curriculum Extension Instruction. For purposes of administration of this Rule, non-~~
2 ~~curriculum extension instruction means all instruction organized, supervised, or delivered outside the regular~~
3 ~~curriculum programs offered by the college.~~

4 ~~(1) A registration fee, as established by the State Board, as set by the Legislature shall be charged for~~
5 ~~each occupational extension class.~~

6 ~~(2) Each local board shall establish registration fees for Community Service Programs.~~

7 ~~(3) All recreational courses shall be self supporting. Colleges shall collect and deposit to a local~~
8 ~~account fees and other contributions to support entirely the costs of all recreational extension~~
9 ~~courses taught. Also note Paragraph (e) of Rule .0325 of this Subchapter regarding the reporting~~
10 ~~of student membership hours for this area.~~

11 ~~(4) Registration Fee Waivers:~~

12 ~~(A) Special Extension Training Programs. No registration fees shall be charged students~~
13 ~~enrolling for special extension training programs that directly relate to job performance~~
14 ~~set forth in G.S. 115D-5(b).~~

15 ~~(B) College Staff Members. Full-time college staff members employed for a 9, 10, 11, or 12~~
16 ~~month term may enroll in one extension or curriculum course per semester in the system~~
17 ~~without registration fee or tuition charges.~~

18 ~~(C) Individuals meeting the criteria set forth in G.S. 115B-2 shall not be charged registration~~
19 ~~fees.~~

20 ~~(D) Prison inmates shall not be charged registration fees.~~

24 ~~preparedness who take special extension training courses that directly relate to their job~~
25 ~~performance shall not be charged registration fees.~~

26 ~~(b) Self-Supported Classes. A self-supporting class is not reported to the state for budget FTE since the cost of~~
27 ~~conducting the course is paid by students enrolled. A college may sponsor self-supporting classes, deposit income~~
28 ~~(if any) to a local account, and pay all expenses from the local account. Each student shall pay a pro-rata share of~~
29 ~~the cost of a self-supporting class. Since the cost for a self-supporting class is not considered a registration fee, the~~
30 ~~pro-rata cost for any individual or group is not waived under G.S. 115D-5(b) or G.S. 115B-2.~~

31 ~~(1) To promote uniformity in determining cost of the self-supporting classes, direct and indirect costs~~

36 ~~(iii) Rental of buildings;~~

37 ~~(iv) Advertising, printing, postage, and mailing;~~

38 ~~(v) Equipment;~~

39 ~~(vi) Refreshments; and~~

40 ~~(vii) Administrative or clerical costs.~~

41 ~~(B) Indirect Costs.~~

42 ~~Indirect costs are the charges for activities and services that support self-supporting~~
43 ~~classes which cannot be directly and exclusively assigned to a self-supporting class.~~
44 ~~Examples of indirect costs shall include utilities, custodial and security services,~~
45 ~~coordination, administration, or clerical, salary and fringe benefits.~~

46 ~~(2) If self-supporting receipts (all categories: e.g., curriculum, community service) exceed~~
47 ~~expenditures for the fiscal year the following provisions apply:~~

48 ~~(A) Surplus funds shall be expended for student financial aid, scholarships, or program~~
49 ~~improvement. All expenditures shall directly benefit students.~~

50 ~~(B) Funds derived from self-supporting classes shall not be used for:~~

51 ~~(i) Supplemental salaries of any personnel;~~

52 ~~(ii) Administrative support of the college, other than noted above, and only for~~
53 ~~activities that directly benefit students; and~~

54 ~~(iii) College entertainment expense. (Educational activities for non-college~~
55 ~~personnel or college personnel to enhance student success would not be~~

1 entertainment. Functions in which the primary purpose is fundraising would be
2 entertainment.)

3 (3) — Each local board of trustees shall adopt a policy regulating the amount of mark-up the college may
4 charge for a self-supporting class and how surplus funds derived from these classes may be used.
5 Each local board of trustees shall review its policy on self-supporting classes at least once every
6 three years. All expenditures must be consistent with the mission and purpose of the community
7 college system.

8 (c) ~~Driver Education.~~ Colleges shall collect a student fee as established by the local board of trustees for the adult
9 driver education training course offered through the community service program.

10 (d) ~~Registration Fee Refunds.~~ A refund shall not be made except under the following circumstances:

12 shall be eligible for a 100 percent refund. Also, a student is eligible for a 100 percent refund if an
13 applicable class fails to "make" due to insufficient enrollment.

14 (2) — After the respective class begins, a 75 percent refund shall be made upon the request of the student
15 if the student officially withdraws from the class prior to or on the 10 percent point of the
16 scheduled hours of the class. Note: This Rule is applicable regardless of the number of times the
17 class meets or the number of hours the class is scheduled to meet.

18 (3) — A 100 percent refund shall be made if the student officially withdraws from a contact hour class
19 prior to the first day of class of the academic semester or term or if the college cancels the class.
20 A 75 percent refund shall be made if the student officially withdraws from a contact hour class on
21 or before the tenth calendar day of the class.

22 (4) — For a class(es) which the college collects receipts which are not required to be deposited into the
23 State Treasury account, the college shall adopt local refund policies.

24 (5) — If a student, having paid the required registration fee for a semester or term, dies during that
25 semester (prior to or on the last day of examinations of the college the student was attending), all
26 registration fees for that semester or term may be refunded to the estate of the deceased.

27 (e) ~~Military Registration Fee Refund.~~ Upon request of the student, each college shall:

28 (1) — Grant a full refund of registration fees to military reserve and national Guard personnel called to
29 active duty or active duty personnel who have received temporary or permanent reassignments as
30 a result of military operations then taking place outside the state of North Carolina that make it
31 impossible for them to complete their course requirements; and

32 (2) — Buy back textbooks through the colleges' bookstore operations to the extent possible.

33 ~~Colleges shall use distance learning technologies and other educational methodologies to help these students, under
34 the guidance of faculty and administrative staff, complete their course requirements.~~
