<u>**MEMORANDUM**</u>

To: Presidents
                Chief Academic Officers

From: Wesley Beddard, Associate Vice President
                Programs

Subject: Curriculum Review Committee Course Approvals

The Curriculum Review Committee (CRC) has the responsibility for maintaining the curriculum courses in the *Combined Course Library* (CCL). The approved course requests from the Spring 2016 CRC meeting, held on February 25, 2016, are attached for your information. *Course revisions may involve the removal of required prerequisites or corequisites. Please note that colleges may add local prerequisites and/or corequisites if they determine a need exists.*

Course Revision Impact to Curriculum Standards
The CRC approved requests to revise the **course description, prerequisite(s), corequisite(s), and/or class/lab hours** of core courses found on the curriculum standards listed below. Please note that the only change indicated on the printed standard will be the inclusion of the statement *"CRC Revised-Electronic Only 2/25/16",* since only the electronic version of the standard in Colleague will be revised.

    Global Logistics and Distribution Management Technology (A25610)
    Infant/Toddler Care (Certificate) (C55290)
    Lateral Entry (Certificate) (C55430)
    Occupational Education Associate (A55320)
    Occupational Therapy Assistant (A45500)
    School-Age Care (Certificate) (C55450)
    School-Age Education (A55440)
    Supply Chain Management (A25620)
    Surgical Technology (A45740)

The State Board of Community Colleges has delegated authority to the Senior Vice President to approve curriculum standard changes involving **core course title and/or credit hour changes** resulting from CRC action. The standards listed below have been revised as a result CRC approved changes to one or more core courses.

    Dental Assisting (Diploma) (D45240)
    Funeral Service Education (A55260)
    Medical Dosimetry (Diploma) (D45450)   **CC16-011**
                                                                            Email

In addition to traditional course requests, the CRC approved course requests that were submitted which were specific to the Aviation Electronics Technology and the Early Childhood Education programs. These courses are reflected on separate logs.

The following curriculum standard revisions will be taken to upcoming State Board meeting(s) for additional action:

>
> Aviation Electronics (Avionics) Technology (A60150)
> Early Childhood Education (A55220)
> Photographic Technology (A30280)

Please be aware that you must implement the attached revised courses and standards no later than one year after the effective term. You must update your college's electronic program of study and receive approval from the System Office prior to implementation of the revised courses and programs.

Curriculum standards, curriculum courses and procedures for submitting requests to the CRC are available on the Academic Programs home page at http://www.nccommunitycolleges.edu/academic-programs. If you need assistance or clarification, please contact Ms. Jennifer Frazelle, Director of Academic Programs at frazellej@nccommunitycolleges.edu or (919) 807-7120.
