Associate Vice President, Programs

Subject: Curriculum Course Review Committee Course Approvals

Date: April 27, 2022

The Curriculum Course Review Committee (CCRC) has the responsibility for maintaining the curriculum courses in the *Combined Course Library* (CCL). The approved course requests from the Spring 2022 CCRC meeting, held on February 23, 2022, are attached for your information. *Course revisions may involve the removal of required prerequisites or corequisites. Please note that colleges may add local prerequisites and/or corequisites if they determine a need exists.*

Course Revision Impact to Curriculum Standards

The CCRC approved requests to revise the **course description, prerequisite(s), corequisite(s), and/or class/lab hours** of core courses found on the curriculum standard listed below. Please note that the only change indicated on the printed standard will be the inclusion of the statement "CCRC Revised Electronic Only 02/23/22", since only the electronic version of the standard in Colleague will be revised.

| Program Title | Program Code |
|--------------------------|---------------------|
| Digital Media Technology | A25210 |
| Information Technology | A25590 |

Please be aware that you must implement the attached revised courses and standards no later than one year after the effective term. You must update your college’s electronic program of study and receive approval from the System Office *prior* to implementation of the revised courses and programs.

Curriculum standards, curriculum courses, and procedures for submitting requests to the CCRC are available on the Academic Programs home page at:
