## Combined Course Library (CCL) Updates Workforce Continuing Education

### New Courses

**Requesting College or Agency: Davidson County Community College**

Course ID	Course Title	Recommended Hours	Program Area	Tier Designation
HSE 3227	Children and Adolescents in Crisis	48	L30 – Health Occupations	3

**Description:** This course covers the crises affecting children and adolescents in contemporary society. Emphasis is placed on abuse and neglect, suicide and murder, dysfunctional family living, poverty, and violence. Upon completion, students should be able to identify and discuss intervention strategies and available services for the major contemporary crises affecting children and adolescents.

**Requesting College or Agency: Johnston Community College**

Course ID	Course Title	Recommended Hours	Program Area	Tier Designation
SON 3000	Foundations of Sonography	16	L30 – Health Occupations	3

**Description:** This course is designed to provide prospective students with an overview of the sonography profession, academic necessities, clinical requirements and professional demands of a practicing clinical sonographer. The course will include topics such as related medical terminology, professional environment and ethics, the history of ultrasound in medicine, sonographic specialties and an analysis of the role of the sonographer in patient care. Upon completion, the learner will be prepared to describe the role of a sonographer in the clinical setting and the various applications of diagnostic ultrasound in medicine.

## Combined Course Library (CCL) Updates Workforce Continuing Education

**Requesting College or Agency: Office of State Fire Marshal / NCCCS**

Course ID	Course Title	Recommended Hours	Program Area	Tier Designation
FIP 3636	Pump Operations Block	108	R30 – Fire & Rescue Services	3

**Description:** This certification-related course will present the Driver Operator with the knowledge, skills, and ability to satisfy key requirements of NFPA 1002: Standard for Fire Apparatus Driver/Operator Professional Qualifications. Individual courses included in this block are Pumps Introduction, Pumps Basic Operations, Pumps Maintenance & Testing, Pumps Sprinklers & Standpipes, Pumps Hydraulics, and Pumps Water Supply. FIP-3636 transfers as one block, in its entirety, to the Office of State Fire Marshal (OSFM). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines. Contact OSFM for details

Course ID	Course Title	Recommended Hours	Program Area	Tier Designation
FIP 3643	Aerial Operations Block	60	R30 – Fire & Rescue Services	3

**Description:** This certification-related course will present the Driver Operator with the knowledge, skills, and ability to satisfy key requirements of NFPA 1002: Standard for Fire Apparatus Driver/Operator Professional Qualifications. Individual courses included in this block are Aerial Introduction, Aerial Basic Operations, and Aerial Maintenance & Testing. FIP-3643 transfers as one block, in its entirety, to the Office of State Fire Marshal (OSFM). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines. Contact OSFM for details.
