NC GPS Scale of Adoption Self-Assessment (SOASA) Project

The NC Student Success Center recently received additional funding to assist colleges with adopting effective [Guided Pathways](#) student success practices. The NC GPS Scale of Adoption Self-Assessment Project is a free service for all 58 colleges to identify their best practices and establish priorities for additional resources and support where needed. An information webinar is scheduled for Tuesday, January 30 at 2:00 p.m. Register for the webinar [here](#). The online assessment will be available in February, and NC GPS coaches will organize calls with college teams in March and April. Individual college reports will be distributed in May and June. Based on the results, the Center will plan regional professional development and technical assistance for colleges in Fall 2018 and Spring 2019. The complete timeline is available [here](#). A PDF preview of the online tool is available [here](#).

Announcing the NEW N3C2A (Advising Association) News

In June 2017, the Center hosted a planning meeting with advisors from eight colleges who volunteered to help organize the first state-wide association, the NC Community College Advising Association (N3C2A). In November 2017, N3C2A organizing members established by-laws and elected officers. The mission of the organization is "to promote student success across the state's 58 community colleges by providing resources, professional support, and a collaborative platform for advising personnel." Congratulations (and thanks) to the N3C2A officers for 2018-2019:

Scott Byington, Chair (Central Carolina CC)
Reese Linnell, Vice Chair (Stanly CC)
Christine Nicodemus, Secretary (Pitt CC)
Jenn Selby, Policy Liaison (Rowan-Cabarrus CC)
Marcia Miller, Membership Officer (Rowan-Cabarrus CC)
Timothy Maddox, Professional Development (Lenoir CC)
Kathy Rusch, "Past Chair" (Wake Tech)
Daniel Alvarado, Ex-Officio Member, System Office

The Center is hosting the free N3C2A Unconference, which will be held in Pittsboro on February 16. Details and a link to register are available [here](#).

NCCCLP Presentation at CVCC

On December 1, 2017, Roxanne Newton presented a professional development session at Catawba Valley Community College for participants in the [NC Community College Leadership Program](#), a seven-month institute for NCCCS employees. The NCCCLP 2018 Class includes 30 participants from 25 colleges. Invited by organizer and lead facilitator Pat Akers, Newton's presentation focused on the NC Student Success Center's role and mission, the new NC Guided Pathways to Success project, and the ways that college leaders impact student success.
