

NUMBERED MEMO CC23 - 041

To: Presidents
 Chief Academic Officers

From: Dr. Lisa Eads
 Associate Vice President, Programs

Subject: Curriculum Course Review Committee Course Approvals

Date: December 28, 2023

The Curriculum Course Review Committee (CCRC) has the responsibility for maintaining the curriculum courses in the *Combined Course Library* (CCL). The approved course requests from the Fall 2023 CCRC meeting, held on October 25, 2023, are attached for your information. *Course revisions may involve the removal of required prerequisites or corequisites. Please note that colleges may add local prerequisites and/or corequisites if they determine a need exists.*

Course Revision Impact to Curriculum Standards

The CCRC approved requests to revise the **course description, prerequisite(s), corequisite(s), and/or class/lab hours** of core courses found on the curriculum standards listed below. Please note that the only change indicated on the printed standard will be the inclusion of the statement “CCRC Revised Electronic Only 10/25/23”, since only the electronic version of the standard in Colleague will be revised.

Program Title	Program Code
*Project Management Technology	A25390
*Real Estate	A25400
*Accounting and Finance	A25800
*Nonprofit Leadership and Management	A25410
*Graphic Arts and Imaging Technology / Flexography	A3018A
*Graphic Arts and Imaging Technology	A30180

*Changes are pending additional State Board action.

The State Board of Community Colleges has delegated authority to the Senior Vice President to approve curriculum standard changes involving **core course title and/or credit hour changes** resulting from CCRC action. The standards listed below have been revised as a result of CCRC approved changes to the credit hours and/or title of a core course.

Program Title	Program Code
*Agricultural Biotechnology	A20110
*Biopharmaceutical Technology	A20180
*Bioprocess Technology	A50440
*Biotechnology	A20100
*Marine Biotechnology	A20170
*Business Administration	A25120
*Office Administration	A25370
*Medical Office Administration	A25310
Nuclear Medicine Technology	A45460
Sports Media Technology	A30170
*Advertising and Graphic Design	A30100
*Electroneurodiagnostic Technology	A45320
*Race Car Technology	A60400

*Changes are pending additional State Board action.

Credit for Prior Learning Policy – Public Safety Administration and Business Technology

The CCRC approved the proposed Credit for Prior Learning Policy (CPL) crosswalks for the following areas: Standardized Testing and Early Childhood.

Please be aware that you must implement the attached revised courses and standards no later than one year after the effective term. You must update your college's electronic program of study and receive approval from the System Office *prior* to implementation of the revised courses and programs.

Curriculum standards, curriculum courses, and procedures for submitting requests to the CCRC are available on the Academic Programs home page at:

<http://www.nccommunitycolleges.edu/academic-programs>

If you need assistance or clarification concerning CCRC action, please contact Dr. Lisa Eads, Associate Vice President, Programs, at eadsl@nccommunitycolleges.edu or (919) 807-7133.
