I. Legislative Overview

The Comprehensive Articulation Agreement fulfills the provisions of House Bill 739, Senate Bill 1161 (1995 Session of the General Assembly), and House Bill 903. The original legislation is provided in Appendix A. Section 1 of HB 739 instructed the Board of Governors of The University of North Carolina System and the State Board of Community Colleges to develop a plan for the transfer of credits between the institutions of the North Carolina Community College System, and between them and the constituent institutions of The University of North Carolina System. Section 3 of HB 739 instructed the State Board of Community Colleges to implement common course descriptions for all community college programs by June 1, 1997. Section 1 of SB 1161 directed The University of North Carolina System Board of Governors and the State Board of Community Colleges to develop a plan that ensures accurate and accessible academic counseling for students considering transfer between community colleges, and between community colleges and the constituent institutions of The University of North Carolina System. Section 2 of SB 1161 required the two Boards to establish a timetable for the development of guidelines and transfer agreements for program majors, professional specialization, and associate in applied science degrees. Section 3 of SB 1161 directed the Board of Governors of The University of North Carolina System and the State Board of Community Colleges to review their policies and rules and make any changes that are necessary to implement the plan for the transfer of credits.

In 2013, S.L. 2013-72 (HB 903) further emphasized the importance of the Comprehensive Articulation Agreement (CAA) by mandating compliance with its terms and requiring biannual joint reviews to assure full institutional adherence to the agreement. The bill requires that a report, summarizing the results of these reviews, including any instances of non-compliance or revision to the agreement be submitted to the Joint Legislative Oversight Committee on November 1 of each year.

II. Review and Revision of the Comprehensive Articulation Agreement (2013)

Since the Comprehensive Articulation Agreement was established in 1997, there have been nearly two decades of student and faculty experience with the CAA, and considerable changes in lower-level general education requirements and major program requirements of our University of North Carolina System institutions. Additionally, executive and legislative agencies with the state have endorsed greater participation in college level work by qualified secondary students.

After the review of the CAA within the context of these changes, this revision of CAA policies and curricula is designed to better facilitate the original purpose of the CAA to optimize the transfer of credits between the institutions of the North Carolina Community College System and The University of North Carolina System institutions.

The focus of the current review of the CAA includes the following:

1. Supporting current general education requirements at senior institutions.
2. Establishing a process for maintaining currency.
3. Ensuring current information is universally accessible to students and advisors at both senior institutions and community colleges.

The revised Comprehensive Articulation Agreement serves as a current and adaptive agreement that supports more students completing both the associate and baccalaureate degrees.

III. Assumptions and Intent

The Comprehensive Articulation Agreement between The University of North Carolina (UNC) System and the North Carolina Community College System (NCCCS) rests upon several assumptions common to successful statewide comprehensive articulation agreements. The primary assumption is that institutions recognize the professional integrity of other public post-secondary institutions that are regionally accredited for college transfer programs. All courses designated as approved for college transfer under this agreement will be taught by faculty who meet Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) credential requirements. Another assumption is that substantial commonality exists in the lower-division general education requirements and courses currently offered at all universities and community colleges for the purpose of transfer.

The general education courses and pre-major courses offered at the institutions that comprise The UNC System and the NCCCS are similar in intended outcomes and competencies, and so, transferable between institutions. The general education requirements of the receiving institutions remain in effect for all students not participating in this comprehensive articulation agreement; any upper-division general education requirements and graduation requirements remain unaffected by this agreement. Institution-wide, lower-division general education requirements serve as the starting point for determining specific general education courses in each baccalaureate major. The specific lower-level courses required for each major are the subject of the pre-majors developed by joint discipline committees. The purpose and history are provided in Appendix B.

IV. Policies

The Comprehensive Articulation Agreement (CAA) applies to all fifty-eight North Carolina Community College System (NCCCS) institutions and all sixteen constituent institutions of The University of North Carolina (UNC) System. The CAA is applicable to all NCCCS students who successfully complete a course designated as transferable or graduate with an Associate in Arts or Associate in Science degree and transfer to a constituent institution of The UNC System. The regulations for implementation of the CAA were originally approved by the Board of Governors and the State Board of Community Colleges. The Transfer Advisory Committee (TAC) oversees refinements of the regulations and minor changes. Significant changes will be brought to the Board of Governors and the State Board of Community Colleges for review at the discretion of the respective Presidents of The UNC System and the NCCCS. The TAC Procedures are provided in Appendix C.

Since the CAA was first established, the state of North Carolina has encouraged high school students to maximize their time by taking college coursework under various initiatives. The CAA policies extend to high school students taking college coursework through the NCCCS and/or the constituent universities of The UNC System.

A. Transfer Advisory Committee (TAC)

Authority to interpret CAA policy rests with the Transfer Advisory Committee (TAC). The TAC is an eight-member committee appointed by the Presidents of the North Carolina Community College System (NCCCS) and The University of North Carolina (UNC) System.

- **NCCCS Members:**

Four representatives from the NCCCS. These members will be appointed by the Chief Academic Officer of the NCCCS.

- **UNC System Members**

Four representatives from the UNC System. These members will be appointed by the Chief Academic Officer of the UNC System.

Questions concerning CAA policy interpretations should be directed to the appropriate system's chief academic officer with an explanation of the institutional policy that may (appear to) be in conflict with CAA policy. The chief academic officer will forward unresolved questions to the TAC for interpretation. Each system will appoint one ex-officio nonvoting member to support the work of the TAC.

Questions about the transferability of course work under the CAA or any proposed changes to the policies, general education courses, or pre-majors must be addressed by the TAC. Changes to the curriculum standards for the Associate in Arts and Associate in Science degree programs are the authority of the State Board of Community Colleges. The TAC will be notified of any changes.

The TAC will also provide general counsel and recommendations to the NCCCS and the UNC System in matters leading to optimal transfer between the two systems.

B. Transfer Assured Admissions Policy (TAAP)

The TAAP assures admission to one of the 16 UNC System institutions under the following conditions:

- Admission is not assured to a specific campus or specific program or major.
- Students must have graduated from an NCCCS institution with an Associate in Arts or Associate in Science degree.
- Students must meet all requirements of the CAA.
- Students must have an overall GPA of at least 2.0 on a 4.0 scale, as calculated by the college from which they graduated, and a grade of "C" or better in all CAA courses.
- Students must be academically eligible for re-admission to the last institution attended.
- Students must meet judicial requirements of the institution to which they apply.
- Students must meet all application requirements at the receiving institution, including the submission of all required documentation by stated deadlines.

If a student is denied admission to a UNC System institution, then they will be notified in writing by the institution. In this notification, the student will be directed to the College Foundation of North Carolina (CFNC) website (www.cfnc.org) where the student will be given information regarding space availability

and contacts in the respective UNC System institutions admissions offices. It is the student's responsibility to contact each institution's admissions office to get specific information about admissions and available majors.

If the previous steps do not result in admission to a UNC System institution, then the student should contact the CFNC Resource Center at 1-866-866-CFNC.

C. Transfer Credit Appeal

If a transfer student perceives that the terms of the CAA have not been honored, they may follow the Transfer Credit Appeal Procedure as outlined in Appendix E. Each NCCCS and UNC System institution will provide a link to the Transfer Credit Appeal Procedure on its website.

V. Regulations

A. Transfer of Credits

The Comprehensive Articulation Agreement (CAA) establishes the procedures governing the transfer of credits for students who transfer from a North Carolina Community College System (NCCCS) institution to a University of North Carolina (UNC) System institution. The CAA does not address admission to a specific institution or to a specific major within an institution.

1. Eligibility

To be eligible for the transfer of credits under the CAA, the student must graduate from the community college with an Associate in Arts (AA) or Associate in Science (AS) degree and have an overall Grade Point Average (GPA) of at least 2.0 on a 4.0 scale and a grade of "C" or better in all CAA courses. Students who do not complete the degree are eligible to transfer credits on a course-by-course basis.

2. Definition of General Education Courses and Pre-major Courses

The Associate in Arts (AA) and Associate in Science (AS) degree programs in the North Carolina Community College System require a total of sixty or sixty-one semester hours credit for graduation (see Appendix F) and are transferable to any UNC institution. The overall total is comprised of both lower-division general education and pre-major courses. This curriculum reflects the distribution of discipline areas commonly included in institution-wide, lower-division general education requirements for the baccalaureate degree.

The AA and AS degree programs include general education requirements that represent the fundamental foundation for success and include study in the areas of English composition, communications, humanities and fine arts, natural sciences and mathematics, and social and behavioral sciences. Within these discipline areas, community colleges must include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and basic computer use. Students must meet the receiving university's foreign language and/or health and physical education requirements, if applicable, prior to or after transfer to a UNC System institution.

The AA and AS degree programs of study are structured to include two components:

–**Universal General Education Transfer Component** courses comprise a minimum of 30 semester hours of credit, and

–**Additional general education, pre-major, and elective courses** that prepare students for successful transfer into selected majors at UNC System institutions will bring the total number of hours in the degree programs to 60-61 semester hours.

To ensure maximum transferability of credits, students should select a transfer major and follow preferred transfer university options known as Baccalaureate Degree Plans (BDPs, see section V.A.7.) before completing 30 semester hours of credit. Additional general education, pre-major, and elective courses should be selected based on a student’s intended major and transfer institution options. Students will receive instruction, guidance, and assistance in making these selections when enrolled in the NCCCS course ACA 122 – College Transfer Success. **NCCCS institutions are encouraged to require ACA 122 of all AA and AS program enrollees during their first semester of enrollment to promote effective and efficient transfer.**

Each receiving institution will identify community college course equivalencies and publicize an equivalency course crosswalk to ensure transfer of credit uniformity and transparency.

The specific number and distribution of courses used to fulfill the requirement in each of these areas will be identified by each community college as meeting its own general education requirements. The UGETC courses and other required courses will be drawn from those courses designated in the NCCCS Combined Course Library as being transferable. This will preserve the autonomy of each community college to develop its own general education program, including those aspects that make its program unique. Students should follow the university-designed BDPs for specifics regarding courses and distribution.

3. Transfer of Associate in Arts and Associate in Science degree programs

- a. The CAA enables North Carolina community college graduates of two-year Associate in Arts (AA) and Associate in Science (AS) degree programs who are admitted to constituent institutions of The University of North Carolina System to transfer with junior status.
- b. Requirements for admission to some major programs may necessitate additional courses not available at the community college. Time to earn a baccalaureate degree may be impacted for students entering such programs, and students should plan accordingly.
- c. Universities cannot place requirements on students transferring under the CAA that are not required of their students that begin their higher education journeys at that university.
- d. A student who completes the AA or AS degree prior to transfer to a UNC System institution will have fulfilled the UNC System institution’s lower-division general education requirements.
- e. Each UNC System campus will establish and publish a campus policy/guideline outlining the campus decision whether a student who receives an AA or AS degree through reverse transfer will have fulfilled the UNC System institution’s lower-division general education requirements.
- f. Additional courses at the UNC System institution may be required beyond the general education courses and pre-major courses taken at the community college.

- g. Community college graduates of the AA or AS degree programs who have earned 60 semester hours in approved transfer courses with a grade of “C” or better and an overall GPA of at least 2.0 on a 4.0 scale will receive at least 60 semester hours of academic credit upon admission to a UNC System institution.
- h. All courses approved for transfer in the CAA are designated as fulfilling general education or pre-major/elective requirements (see Appendix G). While general education and pre-major courses may also be used as electives, elective courses may not be used to fulfill general education requirements.
- i. CAA courses taken beyond the 60-61 credit hours of credit in which the student received less than a “C” will not negate the provisions of the CAA.

4. UNC Minimum Admissibility Requirements (MAR) and Minimum Course Requirements (MCR)

- a. Students who complete the Associate in Arts or the Associate in Science degree will satisfy UNC System’s minimum admissibility requirements (MAR) and minimum course requirements (MCR).
- b. Transfer students who are at least 21 years old are exempt from both MAR and MCR.
- c. Transfer students will also be considered to have satisfied MAR and MCR if they have:
 1. received the baccalaureate, or any higher degree, or
 2. earned at least twenty-four (24) transferrable undergraduate credits from a regionally accredited postsecondary institution. Transferrable undergraduate credit counted as part of these 24 hours shall also include:
 - a. credit earned at foreign institutions deemed to have the equivalence of regional accreditation; equivalence of regional accreditation generally refers to recognition by the foreign country’s Ministry of Education and/or recognition by a credible organization offering credential evaluation services; and
 - b. credit awarded for prior learning as part of military service, with the military branch designated as the transfer institution.

Undergraduate credits awarded for AP (Advanced Placement), IB (International Baccalaureate), or other credit by exam shall not be included as part of these 24 hours.

5. Students Not Completing the Associate in Arts or Associate in Science degrees

A North Carolina Community College System (NCCCS) student who satisfactorily completes, with a grade of “C” or better, courses identified in the Universal General Education Transfer Component (UGETC) will receive credit applied toward the university’s lower-division general education course requirements, subject to the following distribution limit: maximum of 6 hours in English Composition, 9 hours in Humanities/Fine Arts/Communications, 9 hours in Social/Behavioral Sciences, 8 hours in Mathematics, and 8 hours in the Natural Sciences.

An NCCCS student who satisfactorily completes a transfer course that is not designated as a UGETC course will receive transfer credit for the course. The receiving institution will determine how the course counts.

6. Certification of Universal General Education Transfer Component Courses, Associate in Arts Degree, or Associate in Science Degree Completion

Certification of completion of the Associate in Arts or the Associate in Science degree is the responsibility of the community college at which the courses are successfully completed. Transcript identification of Universal General Education Transfer Component (UGETC) courses is also the responsibility of the NCCCS institution at which the courses are completed. The transcripts of students who transfer before completing the degree will be evaluated on a course-by-course basis by the receiving university. The transferring student who has not completed the degree must meet the UNC System institution's general education requirements.

7. Baccalaureate Degree Plan (BDP) Four-Year Degree Plan for Community College Transfer Students

Pre-major course tracks prepare students to succeed in their chosen field and provide students with clear pathways to completion. Each UNC System institution will develop, publish, and maintain Baccalaureate Degree Plans (BDPs) identifying NCCCS courses that provide pathways leading to associate degree completion, admission into the major, and baccalaureate completion. Students who complete the Associate in Arts AA or the AS degree, who follow the BDP published by a UNC System institution, who are accepted into that institution, and who are accepted into that major within four years of initial enrollment at the community college, will continue into that major at the UNC System institution with all courses fulfilling lower-division general education and other degree requirements as indicated in that BDP.

8. Other Associate Degree Programs

Students completing Universal General Education Transfer Component (UGETC) courses will receive equivalent general education course credit for those courses at the receiving UNC System institution. For courses not designated as UGETC, the receiving UNC System institution will determine whether the course will count as general education or pre-major/elective credit.

Associate in Applied Science (AAS) degree programs may be handled on a bilateral articulation agreement basis rather than on a state-wide basis. Under bilateral agreements, individual universities and one or more community colleges may join in a collaborative effort to facilitate the transfer of students from AAS degree programs to baccalaureate degree programs.

The TAC encourages the development of new bilateral articulation agreements among institutions; however, TAC will not maintain a current inventory of bilateral articulation agreements for AAS degree programs.

See Appendix H for a current list of Universal Articulation Agreements.

9. Transfer of Courses Not Originated at North Carolina Community Colleges

Transfer courses that do not originate at a North Carolina Community College System institution or at a UNC System institution are allowed to be used to complete the AA or AS degree at an NCCCS institution and would fall under the protections of the CAA. Students transferring without the completed degree would have their individual courses from outside of NCCCS institutions subject to the receiving institution's regular transfer articulation procedures.

10. Transfer of Advanced Placement (AP) Course Credit

Advanced Placement (AP) course credits, awarded for a score of three or higher, are acceptable as part

of a student's successfully completed Associate in Arts (AA) or Associate in Science (AS) degree under the CAA. Students who receive AP course credit at a community college but do not complete the AA or AS degree will have AP credit awarded on the basis of the receiving institution's AP policy. TAC recommends that the same guiding principle prescribed for AP course credit be exercised in the treatment of other NCCCS course credit awarded as part of the AA or AS degree under the CAA through other exams (e.g., IB, CLEP, DANTES, Cambridge, and local credit by exam or placement exam).

B. Impact of the CAA on Other Articulation Agreements

The CAA takes precedence over bilateral articulation agreements established between constituent institutions of The University of North Carolina (UNC) System and the North Carolina Community College System (NCCCS) but does not necessarily preclude such agreements. Institution-to-institution articulation agreements that fall within the parameters of the CAA and enhance transferability of students from NCCCS institutions to UNC System institutions are encouraged. **Institutional and uniform articulation agreements conflicting with the CAA are not permitted.**

C. Compliance Procedures

The Transfer Advisory Committee (TAC) is charged with ensuring compliance of institutional policies and practices regarding the CAA. To that end, a TAC Review Team, composed of at least one UNC System representative and at least one NCCCS representative, will survey and review the institutional transfer credit policies and procedures of two UNC System institutions per quarter. The TAC will report the findings to The UNC System and the NCCCS Offices.

Purpose and History (1997-2014)

I. Purpose

The CAA was developed jointly by faculty and administrators of the North Carolina Community College System and The University of North Carolina System based on the proposed transfer plan approved by both governing boards in February 1996.

The provisions of the originating legislation are consistent with the strategic directions adopted by The University of North Carolina System Board of Governors, the first of which is to "expand access to higher education for both traditional and non-traditional students through...uniform policies for the transfer of credit from community colleges to constituent institutions...development of electronic information systems on transfer policies, off-campus instruction, and distance education...[and] increased collaboration with other education sectors..." Similarly, the State Board of Community Colleges has established the education continuum as one of seven critical success factors used to measure the performance of programs consistent with the workforce development mission of the North Carolina Community College System. College-level academic courses and programs have been a part of the mission and programming of the North Carolina Community College System from its inception in 1963.

The Board of Governors and the State Board of Community Colleges are committed to further simplifying the transfer of credits for students and thus facilitating their educational progress as they pursue associate or baccalaureate degrees within and among public post-secondary institutions in North Carolina.

II. History

The two Boards approved a "Proposed Plan to Further Simplify and Facilitate Transfer of Credit Between Institutions" at their meetings in February 1996. This plan was submitted as a preliminary report to the Joint Legislative Education Oversight Committee in March 1996. Since that time, significant steps have been taken toward implementation of the transfer plan. At their April 1996 meetings, the Boards appointed their respective sector representatives to the Transfer Advisory Committee to direct, coordinate, and monitor the implementation of the proposed transfer plan. The Transfer Advisory Committee membership is listed in Appendix D.

Basic to the work of the Transfer Advisory Committee in refining transfer policies and implementing the transfer plan has been the re-engineering project accomplished by the North Carolina Community College System, especially common course names, numbers, credits, and descriptions. The Community College Combined Course Library includes approximately 3,800 semester-credit courses written for the associate degree, diploma, and certificate programs offered in the system. Colleges select courses from the Combined Course Library to design all curriculum programs.

Of approximately 700 arts and sciences courses within the Combined Course Library, the faculty and administrators of the community colleges recommended approximately 170 courses as appropriate for the general education transfer core. The Transfer Advisory Committee then convened a meeting on May 28, 1996, at which six University of North Carolina faculty in each of ten general education discipline areas met with six of their professional counterparts from the community colleges.

Through a very useful and collegial dialog, these committees were able to reach consensus on which community college courses in each discipline were acceptable for transfer to University of North Carolina institutions as a part of the general education core. This list of courses was distributed to all University of North Carolina and community college institutions for their review and comments. Considering the recommendations of the general education discipline committees and the comments

from the campuses, the Transfer Advisory Committee established the list of courses that constitutes the general education transfer core. This general education core, if completed successfully by a community college student, is portable and transferable as a block across the community college system and to all University of North Carolina institutions.

With the establishment of the general education core as a foundation, joint academic disciplinary committees were appointed to draw up guidelines for community college curricula that will prepare students for intended majors at University of North Carolina institutions. Each committee consisted of representatives from each UNC institution offering such major programs and eight to ten representatives from community colleges. The Transfer Advisory Committee distributed the pre-majors recommended by the faculty committees to all University of North Carolina and community college institutions for their review and comments. Considering the faculty committee recommendations and the campus comments, the Transfer Advisory Committee established pre-majors which have significant numbers of transfers from the community colleges to the University of North Carolina institutions.

The special circumstances surrounding transfer agreements for associate in applied science programs, which are not designed for transfer, require bilateral rather than statewide articulation. Special circumstances include the different accreditation criteria for faculty in transfer and non-transfer programs, the different general education requirements for transfer and non-transfer programs, and the workforce preparedness mission of the technical/community college AAS programs.

A major element in the proposed transfer plan adopted by the two boards in February 1996 is the transfer information system. Simultaneously with the work being done on the general education and professional specialization (major) components of the transfer curriculum, the joint committee on the transfer information system laid out a plan, approved by the Boards of The University of North Carolina and the North Carolina Community College System, "to provide students with accurate and understandable information regarding the transfer of credits...[and] to increase the adequacy and availability of academic counseling for students who are considering a college transfer program." In addition to the printed publications currently being distributed to students, transfer counselors, admissions directors, and others, an electronic information network provides (1) electronic access to the articulation database which will include current transfer policies, guidelines, and on-line catalogs for public post-secondary institutions; (2) computerized common application forms, which can be completed and transmitted electronically along with transcripts and other education records; and (3) an electronic mail network for transfer counselors and prospective transfer students. Access to the e-mail network is available in the transfer counselors' offices and other selected sites on campuses.

The final element of the transfer information system is the Transfer Student Academic Performance Report. This report, recently refined with suggestions from community college administrators, is sent annually to each community college and to the State Board of Community Colleges. These data permit the rational analysis of transfer issues and are beneficial to students and to educational and governmental decision-makers. This performance report provides the important assessment component necessary for evaluating and improving the transfer process.

Appendix C

Transfer Advisory Committee Procedures

Articulation between the North Carolina Community College System (NCCCS) and The University of North Carolina (UNC) System is a dynamic process. To ensure the currency of the Comprehensive Articulation Agreement (CAA), occasional modifications to the CAA may be necessary. These modifications may include the addition, deletion, and revision of courses on the transfer list, development and/or revision of pre-majors, and changes in course designation (i.e. additions to UGETC list or changing a course from general education to elective). The TAC will receive requests for modification only upon the recommendation of the chief academic officer of the NCCCS or UNC System. Additions, deletions, and modifications may be subject to faculty review under the direction of the TAC. Because the modification process involves faculty and administrative review, this process may require up to 12 months for final action.

Additions to the Universal General Education Transfer Component

(See Form CAA-02 on page 21)

Courses currently included on the approved transfer course list may be considered for inclusion as a Universal General Education Transfer Component (UGETC) course through the following procedures:

1. The Chief Academic Officer (CAO) of any subscribing institution submits a written request for a change in course status to the CAO of the respective system. The request should include the rationale for the revised status.
2. The system CAO then submits the request to the Director of Community College Partnerships & Adult Learner Initiatives at the UNC System.
3. The Director of Community College Partnerships & Adult Learner Initiatives will send the request to the CAOs of the universities. If all the universities approve of the addition, the recommendation will be sent to the TAC and to the CAOs of the two systems.
4. If all universities do not approve the request, the Director of Community College Partnerships & Adult Learner Initiatives may assemble a discipline team composed of university and community college faculty to see if the course can be revised in a manner that will be acceptable for inclusion in the UGETC course list. If so, the revised course will be sent to the university CAOs for consideration.
5. If all the universities approve of the addition of the revised course, the recommendation will be sent to the TAC and the CAOs of the two systems. If the addition request is not approved by the universities, this will be submitted to the TAC and the CAOs of the two systems for information.
6. After the TAC has acted on the request, the NCCCS Office will distribute notification of action taken to the requesting college or to the entire NCCCS, if applicable. The UNC System will distribute notice of actions as appropriate to its campuses.

Addition of Courses to the Transfer List

(See Form CAA-01 on page 19)

Courses in the NCCCS Combined Course Library that are not on the CAA transfer list may be recommended for inclusion by a participating institution through the following process:

1. For community colleges, the CAO of the college submits a written request for inclusion on the transfer list either as a general education, a pre-major or elective course to the CAO of one of the UNC System institutions. If the university will accept the course, and believes it should be recommended for statewide consideration, the CAO will endorse the request, indicating the transfer designation (General Education, Pre-major, or Elective) and forward it to the Director of Community College Partnerships & Adult Learner Initiatives and to the CAOs of the two systems.
2. For universities, the CAO of the university will partner with the CAO of a community college and send the request to the Director of Community College Partnerships & Adult Learner Initiatives and to the CAOs of the two systems.
3. The NCCCS Office will solicit a response from all community colleges approved to offer the course, and a two-thirds favorable response is required for the change to be pursued. The CAO at the UNC System may seek input from its respective campuses as he/she deems appropriate.
4. The CAO of either system may submit the request for action to the TAC a minimum of thirty days prior to the next TAC meeting.
5. The TAC reviews the request. Any member of the TAC may request that a course be referred to the Faculty Review Committee. For all courses that are approved, the committee records their action and rationale of action.
6. The NCCCS Office will distribute notification of action taken to the requesting college or to the entire NCCCS, if applicable. The UNC System will distribute notice of actions as appropriate to its campuses.

Deletion of a Course from the Transfer List

(See Form CAA-01 on page 19)

The CAO of any participating community college or university may request that a course be removed from the CAA transfer list by following similar procedures as outlined in items 1-6 in the **Addition of Courses to the Transfer List** above. The NCCCS Office will review and recommend annually to the TAC courses on the CAA transfer list that are not taught at any community college for at least two years to be considered for removal from the transfer list.

Change in the CAA Designation of a Course

(See Form CAA-03 on page 23)

The CAO of any participating community college or university may request a change in the designation of a course in the CAA (i.e.: Elective to General Education or Pre-Major) by sending the request and rationale to the CAOs of the two systems. Either of the system CAOs may submit the request to the TAC for action.

The Faculty Review Process

Any member of the TAC may request that a course under consideration be forwarded to the Faculty Review Committee. The Faculty Review Committee will be asked to review the course and the proposed action.

1. The Faculty Review Committee will consist of the following representatives:
 - a. 3 UNC System faculty members
 - b. 3 NCCCS faculty members
2. Appointments to the committee will be for three years but may be renewed.
3. The Faculty Review Committee will receive a request to review a course(s) from the assigned representative(s) of the TAC within one week of the TAC meeting where the request was made.
4. Faculty will be asked to forward their comments, suggestions, and recommendations to one faculty representative from each sector. These three faculty members will then forward a composite report and recommendation to the assigned representative(s) of the TAC prior to the next scheduled TAC meeting.

The assigned representative(s) of the TAC will report the results of the Faculty Review Committee at the next TAC scheduled meeting for action.

Approval of the requested action will require a majority of the TAC members.

Because modification of the CAA involves faculty and administrative review, this process may require up to 12 months for final action. If the request is approved, notification will be distributed to the entire NCCCS and UNC System institutions. If the request is denied, the requesting party(s) will be informed.

Comprehensive Articulation Agreement Transfer Credit Appeal Procedure University of North Carolina System/North Carolina Community College System

Guiding Principle: If a student from a North Carolina Community College System (NCCCS) college believes the terms of the Comprehensive Articulation Agreement (CAA) have not been honored by a University of North Carolina System (UNC) institution to which the student has been admitted, the student may invoke the CAA Transfer Credit Appeal Procedure.

Steps in Filing an Appeal

Step #1:

- **By the last day of classes of the first semester for which admission is offered**, the student must submit a CAA Transfer Credit Appeal Form along with any supporting documentation to the director of admission at the UNC System campus to which the student has been admitted. Students first enrolling at the senior institution in a summer session must submit their appeal by the end of the subsequent fall semester.
- **The student must specify on the appeal form the specific CAA language that is in contention. Appeals that lack this information will not be considered.**
- The Director of Admission will review the appeal and respond in writing (email or letter) to the student within 15 business days.

Step #2:

- If the student is not satisfied with the decision of the Director of Admission, he/she may appeal on the same form to the **Chief Academic Officer (Provost)** of the University within 15 days of written notice of the director's decision.
- The Provost will review the appeal and respond in writing (email or letter) to the student within 15 business days of receiving the student's appeal.

Step #3

- If the student is not satisfied with the decision of the Provost, he/she may appeal to the Transfer Advisory Committee (TAC) subcommittee, composed of the Co-chairs, a representative from the UNC System Office, and a representative from the NCCCS. The student must submit the appeal to the subcommittee within 15 days of the receipt of the Provost's decision. The appeal to the TAC subcommittee should be sent to:

UNC System Transfer Advisory Committee Member CAA Appeal
PO Box 2688
Chapel Hill, NC 27515

If a consensus is reached by the subcommittee, the student will be notified within 15 business days; if a consensus resolution is not reached, the appeal will be forwarded by the subcommittee to the full TAC within 10 business days. The TAC will review the appeal and notify the student of the final decision within 10 business days of receiving the appeal.

Uniform Articulation Agreements

The implementation of the 2014 Comprehensive Articulation Agreement between the North Carolina Community College System and The University of North Carolina System presented motivation for the development of uniform articulation agreements across North Carolina's institutions of public higher education. The purpose of the creation of these agreements was to re-evaluate the needs of students, to improve curriculum, and to commit to improving inter-institutional collaboration in order to put student success first. The following list represents the current uniform articulation agreements.

- Associate in Arts in Teacher Preparation
- Associate in Science in Teacher Preparation
- Associate in Fine Arts in Visual Arts to Bachelor of Fine Arts (AFAVA to BFA)
- Associate in Fine Arts in Theatre to Bachelor of Fine Arts in Theater (AFAT to BFA)
- Associate in Fine Arts in Music to Bachelor of Arts in Music (AFAM to BM)
- Associate in Applied Science (AAS) in Early Childhood Education to Bachelor of Science in Birth through Kindergarten (AASECE to BSBK)
- Associate in Engineering to Bachelor of Science in Engineering (AE to BSE)
- Registered Nurse to Bachelor of Science in Nursing (RN to BSN)

Information about these uniform articulation agreements is located at:

<https://www.northcarolina.edu/transfer-student-success/college-transferarticulation-agreements>
