

State-Level Curriculum Programs:

Maximum program length not determined by the State Board of Community Colleges

This list was compiled in response to Financial Value Transparency (FTV)/Gainful Employment (GE) regulations and guidance published by the Department of Education in 2023 and 2024. See [NCCCS Numbered Memo CC24-039](#) for more information.

*Note: Degrees often have local diploma or certificate options that would need to be considered when making decisions regarding compliance with FVT/GE regulations.
