1988-89	\$15	Community Service - Academic, Practical Skills, Avocational: Section 61 of S.L. 1987-1086 allowed the State Board of Community Colleges to establish procedures for distribution of funds to local community colleges and for departmental support, in accordance with formula changes recommended by the State Board. The Board decided to Block Grant funds for Community Service programs and to allow local institutions to keep the receipts therefrom.
