Hurricane Helene Community College Response and Recovery Fund by the Numbers:

14

Colleges affected by Hurricane Helene

74,000

Students at these campuses

256

Generous donors

\$560,000

Awarded from the Fund

Resources from the Fund have been a lifeline to those in need, supporting:

Student wellbeing

Operational needs

Campus Repairs

Lost wage assistance

Small business stabilization

“The outpouring of support from our donors has been nothing short of remarkable. Their generosity has allowed our colleges to provide critical aid to students, faculty, and staff who are still recovering from the devastation of Hurricane Helene. This fund has been a true lifeline, ensuring that our colleges can continue serving their communities during this difficult time.”

-Dr. Jeff Cox, President, NC Community Colleges
