I. PURPOSE STATEMENT

G.S. 115D-5(a) provides that “[t]he State Board of Community Colleges may adopt and execute such policies, regulations and standards concerning the establishment, administration, and operation of institutions as the State Board may deem necessary ... to provide for the equitable distribution of State and federal funds to the several institutions.” G.S. 115D-31(a) further describes the State Board’s responsibility to provide, “from sources available to the State Board,” financial support to the institutions.

It is the responsibility of the colleges to ensure that State and Federal funds are expended consistently with the policies herein.

II. CARRYFORWARD ALLOCATIONS FROM FY 2023-24

A. EQUIPMENT/BOOKS/BASIC SKILLS PBF/OTHER PBF CARRYFORWARD

Purpose: The purpose of the allocation is to provide the eligible unspent funds for equipment, books, Basic Skills performance based carryforward (PBF) and other PBF from FY 2023-24 to colleges for use in FY 2024-25.

Please see the table on the following page for allocation detail by college.

Allocation Authority: Equipment carryforward is for 12 additional months, per statute [115D-31\(c\)](#): “(c) State funds appropriated to the State Board of Community Colleges for equipment and library books, except for funds appropriated to the Equipment Reserve Fund, shall revert to the General Fund 12 months after the close of the fiscal year for which they were appropriated. Encumbered balances outstanding at the end of each period shall be handled in accordance with existing State budget policies. The System Office shall identify to the Office of State Budget and Management the funds that revert at the end of the 12 months after the close of the fiscal year.”

Allocation Period: July 1, 2024 – June 30, 2025

Required Budget Code(s):

- 1) Voc code: Appropriate per APM for activity
- 2) Purpose code: 920 (equipment); 930 (books); 321-325 (Basic Skills PBF)

Budget Posting Instructions: Please post this allocation to your college’s budget prior to transmitting the September 2024 electronic files.

Approval: Approval from [NCGS 115D-31\(c\)](#)

V. FACULTY RECRUITMENT AND RETENTION – RECURRING OBLIGATIONS

Purpose: The 2021 Appropriations Act ([Session Law 2021-180](#)) appropriated a new funding source for recruitment and retention of community college faculty in high demand fields, through the 2021-22 and 2022-23 fiscal years. High demand fields are defined as Tier 1A and Tier 1B courses. Funds can be used for bonuses as well as salary increases, for hard-to-recruit (for example, vacant position remains unfilled after multiple postings) or hard-to-retain (for example, high turnover rate of this position or competing job offer) full-time and/or part-time faculty with a majority teaching load in Tier 1A and/or 1B courses (both curriculum and continuing education). These funds must also cover the cost of associated fringe benefits (social security and retirement) for salary increases or bonuses awarded with these funds. This allocation has been continued through fiscal years 2023-24 and 2024-25 with Session Law 2023-134. This allocation represents the recurring obligations made by the colleges with this funding.

Please see the table on the following page for allocation detail by college.

Allocation Authority: Funding is available from General Fund appropriation in the 2023 Appropriations Act ([Session Law 2023-134](#)).

Allocation Period: July 1, 2024 – June 30, 2025

J. FACULTY RECRUITMENT AND RETENTION – SEPT 2024

Purpose: The 2021 Appropriations Act (Session Law 2021-180) appropriated a new funding source for recruitment and retention of community college faculty in high demand fields, through the 2021-22 and 2022-23 fiscal years. High demand fields are defined as Tier 1A and Tier 1B courses. Funds can be used for bonuses as well as salary increases, for hard-to-recruit (for example, vacant position remains unfilled after multiple postings) or hard-to-retain (for example, high turnover rate of this position or competing job offer) full-time and/or part-time faculty with a majority teaching load in Tier 1A and/or 1B courses (both curriculum and continuing education). These funds must also cover the cost of associated fringe benefits (social security and retirement) for salary increases or bonuses awarded with these funds. This allocation has been continued through fiscal years 2023-24 and 2024-25 with Session Law 2023-134. This allocation represents the recurring obligations made by the colleges with this funding.

E. FACULTY RECRUITMENT AND RETENTION – NOV 2024

Purpose: The 2021 Appropriations Act (Session Law 2021-180) appropriated a new funding source for recruitment and retention of community college faculty in high demand fields, through the 2021-22 and 2022-23 fiscal years. High demand fields are defined as Tier 1A and Tier 1B courses. Funds can be used for bonuses as well as salary increases, for hard-to-recruit (for example, vacant position remains unfilled after multiple postings) or hard-to-retain (for example, high turnover rate of this position or competing job offer) full-time and/or part-time faculty with a majority teaching load in Tier 1A and/or 1B courses (both curriculum and continuing education). These funds must also cover the cost of associated fringe benefits (social security and retirement) for salary increases or bonuses awarded with these funds. This allocation has been continued through fiscal years 2023-24 and 2024-25 with Session Law 2023-134. This allocation represents the recurring obligations made by the colleges with this funding.

Please see the table below for allocation detail by college.

G. FACULTY RECRUITMENT AND RETENTION – JAN 2025

Purpose: The 2021 Appropriations Act (Session Law 2021-180) appropriated a new funding source for recruitment and retention of community college faculty in high demand fields, through the 2021-22 and 2022-23 fiscal years. High demand fields are defined as Tier 1A and Tier 1B courses. Funds can be used for bonuses as well as salary increases, for hard-to-recruit (for example, vacant position remains unfilled after multiple postings) or hard-to-retain (for example, high turnover rate of this position or competing job offer) full-time and/or part-time faculty with a majority teaching load in Tier 1A and/or 1B courses (both curriculum and continuing education). These funds must also cover the cost of associated fringe benefits (social security and retirement) for salary increases or bonuses awarded with these funds. This allocation has been continued through fiscal years 2023-24 and 2024-25 with Session Law 2023-134. This allocation represents the recurring obligations made by the colleges with this funding.

Please see the table below for allocation detail by college.

J. FACULTY RECRUITMENT AND RETENTION – FEB 2025

Purpose: The 2021 Appropriations Act (Session Law 2021-180) appropriated a new funding source for recruitment and retention of community college faculty in high demand fields, through the 2021-22 and 2022-23 fiscal years. High demand fields are defined as Tier 1A and Tier 1B courses. Funds can be used for bonuses as well as salary increases, for hard-to-recruit (for example, vacant position remains unfilled after multiple postings) or hard-to-retain (for example, high turnover rate of this position or competing job offer) full-time and/or part-time faculty with a majority teaching load in Tier 1A and/or 1B courses (both curriculum and continuing education). These funds must also cover the cost of associated fringe benefits (social security and retirement) for salary increases or bonuses awarded with these funds. This allocation has been continued through fiscal years 2023-24 and 2024-25 with Session Law 2023-134. This allocation represents the recurring obligations made by the colleges with this funding.

Please see the table below for allocation detail by college.

E. FACULTY RECRUITMENT AND RETENTION – MAY 2025

Purpose: The 2021 Appropriations Act (Session Law 2021-180) appropriated a new funding source for recruitment and retention of community college faculty in high demand fields, through the 2021-22 and 2022-23 fiscal years. High demand fields are defined as Tier 1A and Tier 1B courses. Funds can be used for bonuses as well as salary increases, for hard-to-recruit (for example, vacant position remains unfilled after multiple postings) or hard-to-retain (for example, high turnover rate of this position or competing job offer) full-time and/or part-time faculty with a majority teaching load in Tier 1A and/or 1B courses (both curriculum and continuing education). These funds must also cover the cost of associated fringe benefits (social security and retirement) for salary increases or bonuses awarded with these funds. This allocation has been continued through fiscal years 2023-24 and 2024-25 with Session Law 2023-134. This allocation represents the recurring obligations made by the colleges with this funding.

Please see the table below for allocation detail by college.

Allocation Authority: Funding is available from General Fund appropriation in the 2023 Appropriations Act ([Session Law 2023-134](#)).

Allocation Period: July 1, 2024 – June 30, 2025

Required Budget Code(s):

- 1) Voc code: Appropriate salary code per APM for activity
- 2) Purpose code: Appropriate salary code per APM for activity

Budget Posting Instructions: Please post this allocation to your college's budget prior to transmitting the May 2025 electronic files.

Approval: Approved by the North Carolina State Board of Community Colleges (SBCC) on November 17, 2023 ([FC 04](#)). Please see the aforementioned attachment(s) for additional details regarding this allocation.
