

STATE BOARD OF COMMUNITY COLLEGES
Allocation for Nursing Faculty Salary Adjustment
FY 2025-26 and FY 2026-27

Request: The State Board of Community Colleges (SBCC) is asked to approve the allocation of nursing faculty salary adjustment funds appropriated in the 2023 Appropriations Act (Session Law 2023-134).

Background: The 2023 Appropriations Act (Session Law 2023-134) appropriated funding of \$7,131,565 for additional salary adjustments to nursing faculty in addition to the across-the-board salary increase. These funds were used to increase nursing faculty starting pay by an additional 10% and other nursing faculty could receive salary increases up to an additional 15%. Session Law 2025-89 reduced the previous recurring appropriation by \$1,123,659.

Rationale: Since these funds are to be used for nursing faculty, the allocation will be based on percentage of FTE in courses typically taught by nursing faculty members. These course prefixes include NUR and NAS. These courses are typically associated with the Associate Degree Nursing, Practical Nursing, and Nursing Assistant programs.

Funding Amount and Time Period: The total allocation is \$6,007,906 for each of the fiscal years 2025-26 and 2026-27.
